Lenkong Wetan, Serpong

Creative Designer with a strong foundation in visual communication, focused on creating impactful digital experiences. I excel at blending aesthetics with content strategy. Driven by internet culture and dynamic engagement, I transform complex ideas into visual solutions that resonate with today's audiences.

Work Experiences

OnStudio Agency - Tangerang Selatan

Aug 2023 - Present

Creative Lead

Creative agency specializing in branding, graphic design, and digital content. As Creative Lead, I lead the development of creative ideas and concepts, ensuring they are transformed into impactful visual solutions executed by the team.

- Led the creative direction for 10+ branding and digital content projects.
- Managed a creative team in developing concepts and visual assets from ideation to execution.
- Designed branding and marketing materials that strengthened clients' visual identity.
- Delivered creative projects while maintaining quality and meeting deadlines.

PT Rynest Technology Indomedia - Depok

Jul 2025 - Sep 2025

Internship

Technology company specializing in digital solutions and creative media services. I initially joined as a Social Media Specialist Intern and continue to support the company remotely by managing social media strategies, content creation, and digital campaigns.

- Managed social media accounts by planning, creating, and publishing digital content.
- Designed visual assets and edited short-form videos for social media campaigns.
- Developed creative content ideas aligned with marketing objectives and audience trends.

Universitas Pembangunan Jaya - Tangerang Selatan

May 2025 - Sep 2025

Graphic Designer (Seasonal)

I worked as a Seasonal Graphic Designer for the 14th Dies Natalis and 11th Graduation, creating visual assets and event branding materials for university events.

- Designed key visual concepts for the 14th Dies Natalis and 11th Graduation.
- Created event branding materials across digital and print media.
- Collaborated with the organizing committee to ensure consistent visual identity throughout the event

Dekalcer UPJ - Tangerang Selatan

Feb 2023 - Oct 2023

Graphic Designer

Dekalcer is an annual flagship culture and design exhibition organized by Visual Communication Design (DKV) Universitas Pembangunan Jaya (UPJ)

- Produced 20+ artworks (posters, banners, digital assets) for Dekalcer UPJ 2023
- Designing a consistent visual identity used across all event touchpoints
- Collaborating with the organizing committee and vendors to ensure print-ready deliverables

Education Level

Universitas Pembangunan Jaya - Tangerang Selatan, Indonesia

Aug 2022 - Sep 2026

Bachelor of Visual Communication Design, 3.67/4.00

- Participated in university design projects involving branding, digital campaigns, and multimedia production.
- Designed visual materials for campus events and promotional activities.
- Completed a final-year project focused on digital advertising and meme marketing for an indie game promotion.
- Continuously enhanced creative and technical skills through academic and real-world design experiences.

SMKN 4 Tangerang Selatan - Tangerang Selatan, Indonesia

Jul 2018 - Jul 2021

Senior High School, Animation

- Selected as a Yearbook Committee member, contributing to the design and development of the school's annual yearbook.
- Consistently trusted to lead team-based class projects, demonstrating leadership and project management skills.
- Recognized for strong illustration and visual design abilities throughout academic projects.
- Developed creative thinking and teamwork skills through animation and multimedia assignments.
