

Look, here is my portofolio as

Creative Designer

Muhammad Zulyan Fakhri

2026

Muhammad Zulyan Fakhri

Simple people making creative content

A Creative Designer with a strong foundation in visual communication, dedicated to crafting impactful digital experiences. Specializing in the intersection of aesthetic design and strategic content creation. Driven by modern internet culture and dynamic digital engagement, the ultimate goal is to transform complex ideas into compelling, relatable visual solutions for contemporary audiences.

DIGITAL ADVERTISING & CAMPAIGN

TYPECASTER

Designing a digital advertising campaign for 'TypeCaster', an innovative indie typing spellcaster PC Game. Facing low organic brand awareness despite its unique gameplay mechanics, the project designed a dedicated supporting social media presence (Instagram & TikTok) driven by meme marketing, relatable gaming culture and contextual short-form video hooks to capture organic gaming audience
